CUCINA

AN OUTSTANDING COLLECTION OF KITCHEN TAPS AND SINKS

Cucina is an eclectic collection of kitchen taps and sinks leaving you spoilt for choice. Making a splash with signature shapes and cutting-edge design, Crosswater's re-entry into the kitchen market promises a unique product offering that delivers quality, style and choice in abundance.

KITCHEN MIXERS

Incorporating innovative design with the ultimate in function that is the trademark of the Crosswater brand, Cucina presents both traditional and contemporary styles in an array of distinctive finishes guaranteed to impact and inspire. To complete the look, the expansive product offering extends to include a wealth of stylish sink designs; each created to provide a practical solution as well as complement the latest kitchen brassware collection.

For full product offering, go to www.crosswater-cucina.co.uk

TALL TAPS

SOLUTIONS FOR WASHING LARGE ITEMS

Elevate daily tasks and ensure ease in the kitchen by introducing a tap with extra height - perfect positioning and more space to splash around when washing larger items in the sink, and great for filling larger pots.

FINISHES

CHROME OR BRUSHED STAINLESS STEEL EFFECT?

Cucina offers a great choice of finishes to match not only your kitchen's theme, but also your own personal style. From shiny chrome plated brass to smart, brushed stainless steel on brass finishes; your kitchen brassware can be aesthetically pleasing as well as fully functional.

CROSSWATER IT'S ALL ABOUT YOU
MODERN OR TRADITIONAL STYLE?

Whether you're looking for a statement centrepiece or a complimentary addition to your kitchen, the Cucina range has a style to suit all tastes and budgets. Choose from a timeless range of traditional kitchen tap designs with the classic Belgravia crosshead; the beautifully contoured spout will make an elegant addition with a hint of modernity. For those with a penchant for revolutionary design, discover the bold shaping of the Acute tap or opt for designs with a sleeker, streamlined aesthetic such as the Kai Lever. Whatever your preference, Crosswater has a diverse assortment to match your ideal kitchen space.

CROSSWATER IT'S ALL ABOUT YOU
PULL OUT SPRAYS

Looking for more from your kitchen tap? Our modish Pull Out Sprays with a handy hose function are ideal for those in need of a practical solution that doesn't compromise on style. Complete with removable tap heads at the end of hoses for added flexibility; get the most out of your kitchen tap with this useful design feature.

FEATURE
SWIVEL SPOUTS

For maximum utility in the centre-of-action area of the kitchen, Crosswater offers a comprehensive range of taps with a smart and smooth swivel feature in all of its single-spout designs.

WATER PRESSURE

SELECTING THE RIGHT PRODUCTS

In order to select a showering system that will give optimum performance you need to identify the water pressure of the plumbing system in your home.

WHAT IS WATER PRESSURE?

Water pressure is a term used to describe the flow strength of water through a pipe; it is measured in bar.

IDENTIFYING YOUR WATER PRESSURE RATING

By identifying your home's plumbing system you can select a product that best suits your water pressure.

WHY IS THIS IMPORTANT?

Whilst the majority of Crosswater products are compatible with most systems, some high pressure (HP) products are designed to work with high pressure systems only. Products marked LP (low pressure) and MP (medium pressure) are also suitable for high pressure (HP) systems.

LP	minimum 0.2 bar
MP	minimum 0.5 bar
HP1	minimum 1 bar
HP2	minimum 2 bar
HP3	minimum 3 bar
HP4	minimum 4 bar

All products marked LP (Low pressure) and MP (Medium pressure) are also suitable for HP (High pressure) systems.

WATER SAVING

We are all under pressure to save water in order to help the environment and reduce climate change. Part G of the governments' building regulations now requires all new domestic buildings to meet a maximum water consumption of 125 litres per person each day.

You can help to reduce the water consumption of your household by easily inserting a flow regulator into your basin tap or shower hose. This will allow you to control the amount of water your taps use.

5 lpm basin tap flow regulator
designed for taps with screw in circular aerator housing
35.6184.0 **£5.00**

3.5 lpm basin tap flow regulator
designed for taps with screw in circular aerator housing
35.6182.0 **£5.00**

8 lpm shower flow regulator
designed for hand showers or fixed heads operating min 1 bar
58.8638.1 **£2.00**

6 lpm shower flow regulator
designed for hand showers or fixed heads operating min 1 bar
58.8636.1 **£2.00**

Basin aerator 5.7lpm
40.8356.01002 **£3.00**

ECO basin monobloc
SL111DNC **£105.00**

With no pop-up waste

Water pressure: LP

A: 145mm B: 140mm

HOT GRAVITY & COLD GRAVITY/MAINS

Low pressure systems (LP 0.1-2 bar)

- ✓ You have a cold water storage tank in the loft.
- ✓ You have a hot water cylinder.
- ✓ You do not have a shower pump installed.

If all of the above apply to your home you can choose any product marked with LP (minimum 0.2 bar).

Note A gravity fed system provides MP (0.5 bar) to fittings downstairs in a 2 story property where the cold water tank is in the loft.

COMBINATION BOILER

Medium pressure systems (MP 0.5-1 bar)

- ✓ You have a combination boiler that heats water on demand.
- ✓ You do not have any storage tanks.
- ✓ You do not have a shower pump installed.

If all of the above apply to your home you can choose any product marked with LP, MP or HP1.

MAINS HIGH PRESSURE

High pressure systems (HP1/2/3 2-3 bar)

- ✓ You have an unvented cylinder with an expansion cylinder.
- ✓ You have no cold water tank in the loft.

If either of the above apply to your home you can choose any product marked LP, MP, HP1, HP2 and HP3 (minimum 1/2/3 bar).

PUMP ASSISTED

High pressure systems (MP to HP4)

- ✓ You have a booster pump fitted.

If either of the above apply to your home you can choose any of our products. **Please check your pump meets the minimum pressure.**

IT'S EASIER THAN EVER TO BROWSE OUR FULL COLLECTION

Here at Crosswater we have everything you need for your bathroom, from bathroom taps, furniture, shower enclosures and much more. We want to make planning your bathroom a pleasurable experience, so we've created three ways for you to view our products online. Our eBrochures, App brochures and comprehensive website make browsing our products even easier as all can all be viewed electronically, whilst supporting the environment by reducing printed material.

1 eBROCHURES

Try our online eBrochures and browse at your leisure on your PC, laptop or tablet device. Once loaded, use the navigation arrows to browse through the brochure pages or drag the page corners for a great page-turn effect. Click within a page to zoom in and again to zoom back out.

WHY VISIT YOUR LOCAL BATHROOM SPECIALIST?

Designing, planning and buying a new bathroom should be a truly enjoyable and ultimately rewarding experience.

At Crosswater we believe that by far the best place to buy your bathroom is at an independent bathroom specialist, why?.....

1 EXPERIENCE & EXPERTISE

Specialist bathroom retailers offer a wealth of experience and skill to ensure you receive an impeccable and personal service throughout your bathroom project whatever the size, including help with installation and local tradesman.

2 DESIGN CONSULTATIONS

Specialist bathroom retailers can offer knowledgeable assistance with room layout design and technical considerations - most will do this at in the comfort of your own home. Many can provide full 3D design plans so you can visualize your bathroom before its fitted.

3 TEST DRIVE SHOWROOM DISPLAY PRODUCTS

Browse, touch and test a huge variety of bathroom products in comfortable surroundings, and receive qualified and fully trained advice on each and every aspect of the products - you simply cannot do this online.

4 AFTER SALES CARE

Once you have purchased from a bathroom specialist you can get personal and most importantly local after sales support.

PRODUCT QUALITY

TOTAL PEACE OF MIND

All Crosswater products are designed and produced to the most exacting British and European standards covering performance, durability and safety. To back this up, all Crosswater products carry extensive guarantees, details of which are available at the back of this brochure, online, or by asking your local retailer.

THERE'S A LOCAL BATHROOM SPECIALIST NEAR YOU

There are almost 600 independent bathroom retail specialists in the UK. The 'Where to Buy' feature on our website allows you to find a dealer as close to home as possible.

These stores present the largest choice of our products locally, including approved dealer status for Digital, Mike Pro and Kelly Hoppen ranges. Some outlets display products and ideas within dedicated "Crosswater Shop-in-Shop areas", some demo products are fully working and you can consult with fully trained sales people on all aspects of your bathroom project.

Specialists in at least one of our brands, with most stores offering a wide range of Crosswater products from within high quality display settings including many of the products featured in this catalogue. Stores have a knowledgeable Crosswater product expert available from initial visit through design and installation.

PRICES

This price list supersedes all previous publications with goods being invoiced at prices ruling on date of despatch. Prices are subject to alteration without notice and include VAT.

DELIVERY

Orders in excess of £50,000 nett invoice value will not be subject to carriage charge and will be delivered within two working days from receipt of order. Orders below £50,000 will be subject to a fixed charge of £5.00.

We will endeavour to deliver all orders on time and in full however we shall be under no liability for any delay or failure to deliver products. Any claim for non-delivery must be reported to the company within 14 working days from the date of delivery, such claims will not be accepted for deliveries to a third party delivery address.

RETURNED GOODS

Goods may only be returned for credit after receiving written agreement from the company. Cancelled orders will be subject to a fixed charge of 25%. Damaged goods will not be accepted. Goods not required may be returned within 14 days of the purchase date; all returned items must be in the original packaging and will be subject to 25% fixed charge. Special orders are non returnable.

RETENTION OF TITLE

Ownership of goods shall remain in the Company until full payment has been received for all goods comprised in this contract. If any goods are re-sold before payment is made the Company's right of ownership shall be transferred to the proceeds of sale or to the claim for such proceeds.

LIABILITY

All quotations are given and goods sold subject to the conditions that the seller's liability is limited to goods proved to have been defective in material or workmanship when they left the seller's works. No claim will be accepted where goods have not been used for the purpose for which they were intended, not fitted correctly, not maintained to the seller's recommended standards or have been abused or misused.

ERRORS & OMISSIONS

In the interest of continuing design and development and product improvement, Crosswater reserve the right to change colour, designs and product specifications without prior notice.

CLEANING & MAINTENANCE

All Crosswater products should be cleaned with warm soapy water only and polished with a clean, soft, dry cloth.

When installing wall mounted products Crosswater strongly recommend making provisions for an in-wall access point, particularly when tiling, for maintenance purposes.

15 YEAR GUARANTEE*

All Crosswater products, unless otherwise stated carry a 15 year guarantee, which covers all manufacturing defaults. This guarantee does not cover damage during fitting, misuse or inappropriate cleaning or consumable goods, e.g. cartridges, hoses, "o" rings, diverters shower hoses or cartridges as these are guaranteed for 1 year. Care should be taken in hard-water areas to ensure the cartridge is regularly cleaned.

*All products carry a 15 year guarantee (with the exception of shower hoses and cartridges, which carry a 12 month guarantee).

PRODUCT COMPATIBILITY

Whilst the majority of Crosswater products are compatible, care should be taken on product selection prior to ordering to avoid installation issues. Technical drawings are available on our website or on request.

WATER PRESSURE (RECOMMENDATIONS)

LP	minimum 0.2 bar
MP	minimum 0.5 bar
HP1	minimum 1 bar
HP2	minimum 2 bar
HP3	minimum 3 bar
HP4	minimum 4 bar
