BISQUE

RADIATORS MADE TO MEASURE

Radiators Made to Measure

Many of Bisque's customers have asked us for radiators that are taller, shorter, wider or narrower than those illustrated in our main catalogue. This 'Radiators Made to Measure' catalogue has been produced to illustrate the unrivalled choice that Bisque has to offer.

We have limited the models listed in this catalogue to sizes that are reasonably practical in terms of passing through doorways and up staircases. However, some radiators are available in even larger sizes, so if you do not find the size you require, please contact our staff to discuss your requirements.

There are over 5,000 different radiator models listed in this catalogue and we have tried to tabulate them in a clear and logical way so that the ordering process is not too daunting. Our sales staff are always on hand to help you through the decision making process if you need any further help or guidance.

Prices and delivery times

There is no price premium for ordering a radiator from this catalogue, but you will have to wait for your radiator to be specially made to your requirements.

All the radiators listed in this catalogue are made to order, and the delivery time is usually 6 weeks for white and coloured finishes and 8 weeks for chrome finish.

Orders under £100 are subject to a delivery charge of £7.50 + VAT

Specification

Radiator heat outputs are shown at operating temperatures of 75/55/20 (ΔT =50K). If you have an output requirement in BTUs, divide your figure by 3.41 to convert it to watts. Outputs at operating temperatures of 90/70/20 (ΔT =60K) are available on request from Bisque.

Pipework connections, brackets and finishes

Our 'Radiators Made to Measure' range gives you unrivalled choice, not just in the size of the radiator, but also, on some models, in the location of pipework connections (where the water flows in and out of the radiator) and a choice of fixing bracket. In addition, most of the radiators listed are also available in special finishes like aluminium, or one of over 2000 RAL or NCS colours.

Each radiator has designated standard pipe connections. Where there are alternatives these are illustrated. If you do not specify otherwise, you will receive the ordered radiator with standard pipe connections by default.

Each radiator also has a standard set of brackets. Some radiators have alternative brackets. If you do not specify otherwise, you will receive your ordered radiator with standard brackets by default.

Each radiator has a designated standard colour. If you do not specify an alternative colour or finish (if one is available) you will receive the ordered radiator in the standard colour by default. Full details of colours and special finishes can be found in the main Bisque catalogue.

Please note: Because the radiators in this catalogue are made to order, once the order is placed it cannot be cancelled. This does not affect your statutory rights.

Product codes

In this catalogue, models of the same size that also feature in the main catalogue are outlined in red. These are usually in stock, with the pipework connections, brackets and colour stated.

If you wish to order the stock model please use the model code listed in the main catalogue. If you use the Made to Measure code you will have wait 6-8 weeks for it to be specially made for you.

How to order from this catalogue

Please provide the following information:

Quantity (how many radiators do you want?)
 e.g. 2

Product name e.g. ClassicModel code (as shown in the catalogue)
 e.g. 4060, BIS180 etc

• Length (in mm) e.g. 900mm

• Pipework connections* (standard or specify) e.g. Option 1

Brackets* (standard or specify)

e.g. Standard
e.g. Anthracite Finish

Colour/finish* (standard or specify)

A typical order could be:

2 of Classic 4060 x 900mm in Pure White (RAL 9010)

or

2 of Classic 4060 x 900mm, Pipework Connections: Option 1; Brackets: Option 1; in Anthracite Finish

or

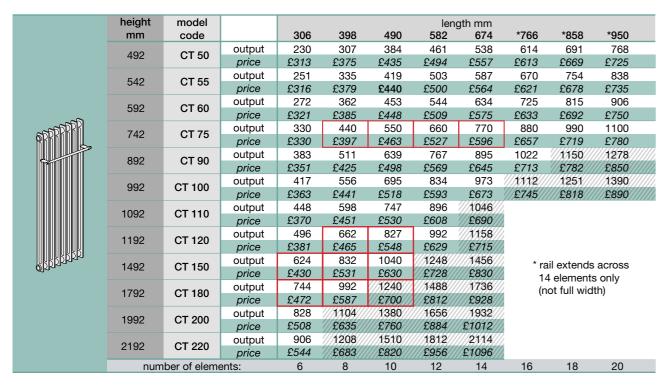

1 of Convector C212 x 2000mm, Pipework Connections: Option 1; Colour: NCS S 8020-R70B

Contents

- 2 Classic towel radiator
- Arteplano: etched brass and etched copper
- 6 Arteplano: painted finishes and brushed aluminium
- 10 B
- 12 B² (electric)
- 14 Classic radiator
- 24 Convector
- 26 Crea-therm
- 30 Decorative panel radiator
- 36 Finn

^{*} If no alternative is specified, the radiator will come with standard pipework connections, standard brackets and standard colour/finish

Classic towel radiator

- outputs in watts (for BTUs multiply by 3.41)
- prices are excluding VAT
- standard colour: pure white (RAL 9010)
- also available in traffic white (RAL 9016), anthracite finish and colours

radiators in the hatched area are too heavy or unwieldy for one person to lift and are subject to special delivery arrangements, which may incur extra costs. Please contact Bisque for more information

models outlined in red are featured in the main Bisque catalogue, and are usually in stock in pure white (RAL 9010), traffic white (RAL 9016) or anthracite finish, with standard pipe connections and standard brackets

- outputs in watts (for BTUs multiply by 3.41)
- prices are excluding VAT
- standard colour: pure white (RAL 9010)
- also available in traffic white (RAL 9016), aluminium finish, anthracite finish and colours

radiators in the hatched area are too heavy or unwieldy for one person to lift and are subject to special delivery arrangements, which may incur extra costs. Please contact Bisque for more information

prices listed are costs per radiator in pure white (RAL 9010) or traffic white (RAL 9016) with standard connections (bottom opposite ends) and standard brackets

connections: option 1 no extra charge add 30% for aluminium brushed finish add 25% for colours

- outputs in watts (for BTUs multiply by 3.41)
- prices are excluding VAT
- standard colour: pure white (RAL 9010)
- also available in traffic white (RAL 9016), anthracite finish, special finishes and colours

models outlined in red are featured in the main Bisque catalogue, and are usually in stock in pure white (RAL 9010) or anthracite finish, with option 1 pipe connections and standard brackets

please note: the stock models of vertical 2-column Classics listed in our main catalogue come as standard with option 1 (underside) connections but 2-column made to measure Classics come as standard with bottom opposite end connections. If you want underside connections for any made to measure Classic, you must specify option 1 when ordering

prices listed are costs per radiator in pure white (RAL 9010) or traffic white (RAL 9016) with standard connections (bottom opposite ends) and standard brackets (wall mounted)

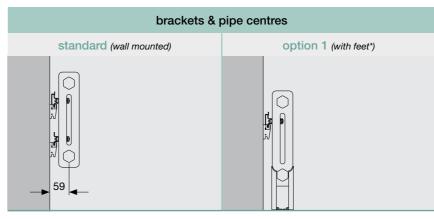

connections: option 1 (underside) add £41

(not suitable for radiators with feet) option 2 (same end) no extra charge

brackets: option 1 (with feet) add £67 (one price for all sizes)

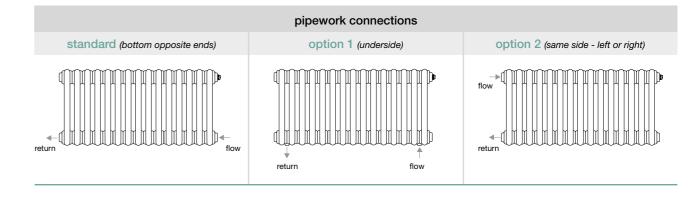

add 15% for anthracite finish

add 25% for colours

* radiators over 23 sections in length have an extra pair of feet, for support, halfway along the length

• feet add 75mm to height

 $_{4}$

Classic: 3-column Classic: 3-column

- outputs in watts (for BTUs multiply by 3.41)
- prices are excluding VAT
- standard colour: pure white (RAL 9010)
- also available in traffic white (RAL 9016), anthracite finish, special finishes and colours

radiators in the hatched area are too heavy or unwieldy for one person to lift and are subject to special delivery arrangements, which may incur extra costs. Please contact Bisque for more information

prices listed are costs per radiator in pure white (RAL 9010) or traffic white (RAL 9016) with standard connections (bottom opposite ends) and standard brackets (wall mounted)

connections: option 1 (underside) add £41

(not suitable for radiators with feet) option 2 (same end) no extra charge

option 1 (with feet) add £67 (one price for all sizes) brackets:

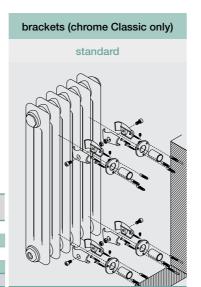

(not available for chrome finish)

add 15% for anthracite finish

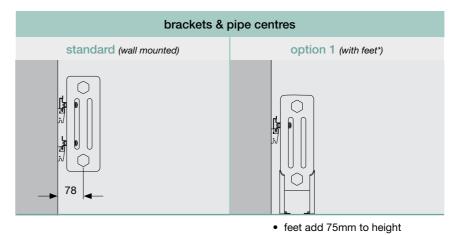

add 25% for colours

Classic: chrome finish

- outputs in watts (for BTUs multiply by 3.41)
- prices are excluding VAT
- standard colour: pure white (RAL 9010)
- also available in traffic white (RAL 9016), anthracite finish, special finishes and colours

radiators in the hatched area are too heavy or unwieldy for one person to lift and are subject to special delivery arrangements, which may incur extra costs. Please contact Bisque for more information

models outlined in red are featured in the main Bisque catalogue, and are usually in stock in pure white (RAL 9010), anthracite finish, with standard pipe connections and Option 1 brackets

please note: the stock models of 4-column Classics listed in our main catalogue come as standard with feet (option 1) but 4-column made to measure Classics come as standard without feet. If you want feet for any made to measure Classic, you must specify option 1 brackets when ordering

prices listed are costs per radiator in pure white (RAL 9010) or traffic white (RAL 9016) with standard connections (bottom opposite ends) and standard brackets (wall mounted)

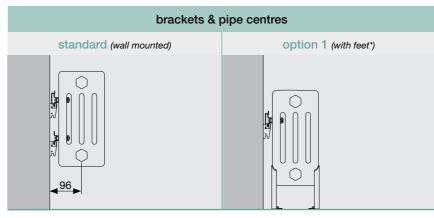

connections: option 1 (underside) add £41

(not suitable for radiators with feet) option 2 (same end) no extra charge

brackets: option 1 (with feet) add £67 (one price for all sizes)

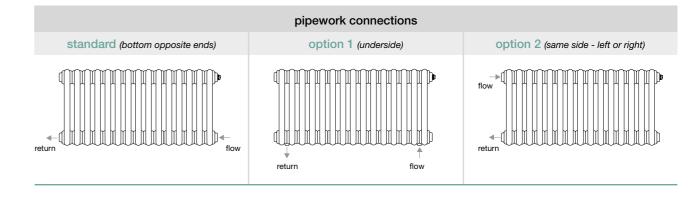

add 15% for anthracite finish

add 25% for colours

* radiators over 23 sections in length have an extra pair of feet, for support, halfway along the length

feet add 75mm to height

Classic: 5-column

- outputs in watts (for BTUs multiply by 3.41)
- prices are excluding VAT
- standard colour: pure white (RAL 9010)
- also available in traffic white (RAL 9016), anthracite finish, special finishes and colours

please contact Bisque for more information

models outlined in red are featured in the main Bisque catalogue, and are usually in stock in pure white (RAL 9010), anthracite finish, with standard pipe connections and Option 1 brackets

please note: the stock models of 6-column Classics listed in our main catalogue come as standard with feet (option 1) but 6-column made to measure Classics come as standard without feet. If you want feet for any made to measure Classic, you must specify option 1 brackets when ordering

prices listed are costs per radiator in pure white (RAL 9010) or traffic white (RAL 9016) with standard connections (bottom opposite ends) and standard brackets (wall mounted)

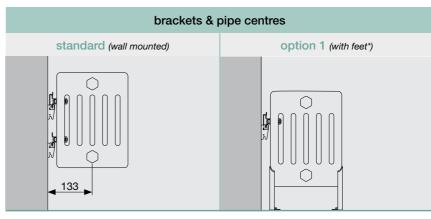

connections: option 1 (underside) add £41

(not suitable for radiators with feet) option 2 (same end) no extra charge

option 1 (with feet) add £67 (one price for all sizes) brackets:

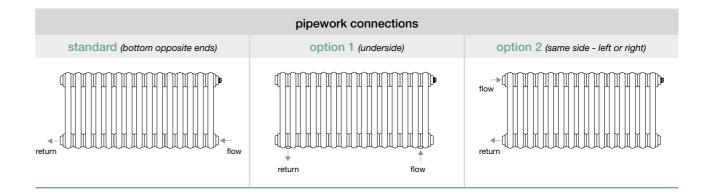

add 15% for anthracite finish

add 25% for colours

* radiators over 23 sections in length have an extra pair of feet, for support, halfway along the length

• feet add 75mm to height

- outputs in watts (for BTUs multiply by 3.41)
- prices are excluding VAT
- standard colour: pure white (RAL 9010)
- also available in traffic white (RAL 9016), aluminium finish and colours

radiators in the hatched area are too heavy or unwieldy for one person to lift and are subject to special delivery arrangements, which may incur extra costs. Please contact Bisque for more information

models outlined in red are featured in the main Bisque catalogue, and are usually in stock in pure white (RAL 9010), with standard brackets and standard pipe connections for horizontal radiators of heights 500mm & 600mm and with option 1 connections for vertical radiators

please note: the stock models of 1500 and 1800 high Finns listed in our main catalogue come as standard with option 1 (underside) connections but made to measure Finns come as standard with bottom opposite end connections. If you want underside connections for any made to measure Finn, you must specify option 1 when ordering

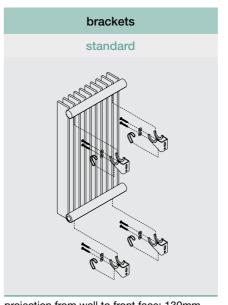

prices listed are costs per radiator in pure white (RAL 9010) or traffic white (RAL 9016) with standard connections (bottom opposite ends) and standard brackets

connections: option 1 (underside) no extra charge option 2 (same end) no extra charge

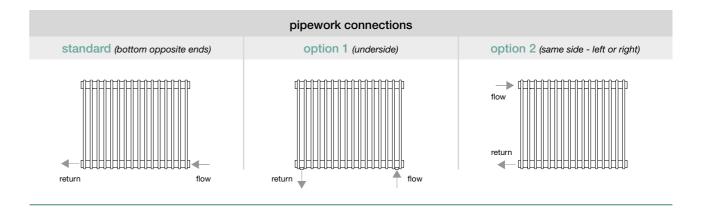

optional grilles: prices listed in tables under each length

add 15% for aluminium finish

- outputs in watts (for BTUs multiply by 3.41)
- prices are excluding VAT
- standard colour: pure white (RAL 9010)
- also available in traffic white (RAL 9016), aluminium finish and colours

radiators in the hatched area are too heavy or unwieldy for one person to lift and are subject to special delivery arrangements, which may incur extra costs. Please contact Bisque for more information

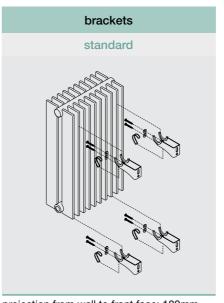

prices listed are costs per radiator in pure white (RAL 9010) or traffic white (RAL 9016) with standard connections (bottom opposite ends) and standard brackets

connections: option 1 (underside) no extra charge option 2 (same end) no extra charge

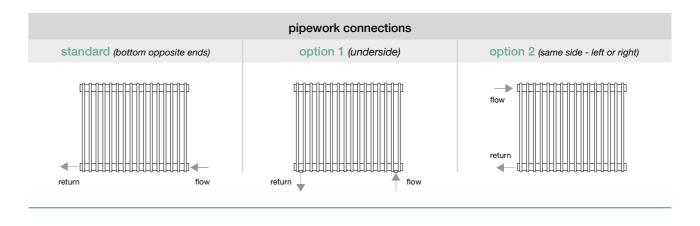

optional grilles: prices listed in tables under each length

add 15% for aluminium finish

example	£
1 x FND100 x 1020 height 1000mm length 1020mm connection option 1	1189.00 0.00
subtotal 1	1189.00
aluminium finish	178.35
subtotal 2 VAT @ 20%	1367.35 273.47
total	1640.82

projection from wall to front face: 180mm
